

Being a Member Pays Dividends!

The Season of Giving continues at the Credit Union.

All associate and retiree accounts received a \$20 Patronage Dividend deposit on December 31, 2019, just for being our member. The deposit was made to the primary savings account.

Thank you for choosing AOACU as your financial institution!

Debit vs Credit

What is the right choice when using your debit card...selecting debit or credit?

As a Financial Institution, we always recommend to select credit whenever possible. The credit option allows a higher withdrawal limit for members and also earns income for the credit union. Some merchants force you to run the transaction as debit, thus taking away from your available PIN limit and defaulting that income to automatically go to the merchant. If the debit option automatically displays at a merchant, ask the cashier how to select credit instead.

Using credit whenever possible also keeps your PIN limit available for when you need to withdrawal cash from an ATM.
