

AOACU NEWS

Loan Interest Rate Matching!

Did you know that AOACU offers Loan Interest Rate Matching? This means if you qualify for a rate that is lower than what is on our website, contact the credit union to see if we can match that interest rate today. We compare our monthly rates to sources in hopes of being the best interest rates out there! We understand that other financial institutions could possibly have a better rate; this gives us the opportunity to provide the same rate for our members! Rates are available on our website at aoacu.com.

United States Treasury Change

Due to recent changes affecting the United States Treasury's coin distribution operations, AOACU will no longer be able to order pennies from the Federal Reserve. What does this mean for our members?

- AOACU will continue to accept rolled pennies for deposit
- While supplies last, we will continue to provide exact cash payments, including pennies, when cashing checks
- Once our available supply of pennies is exhausted, any remaining cent amounts that cannot be paid in cash will be credited directly to the member's account
- Members who are writing checks to non-AOACU members who intend to cash those checks at AOACU are encouraged to write checks in whole-dollar amounts whenever possible

AOACU appreciates your patience and understanding as we navigate this unprecedented transition. We remain committed to ensuring that our members receive all funds to which they are entitled. We will continue to provide updates regarding any further changes resulting from the U.S. Treasury policies or coin availability. Thank you for your membership and continued support.

Invest in a CD at AOACU
