Debit Card Round Up

Save your change
Every time you use your debit card!

Start Using Debit Card Round Up
Simply stop in or call a Member Service Representative and tell them you want to sign up for Debit Card Round Up!

How Debit Card Round Up works...

Every time you use your debit card, the transaction will be rounded up to the nearest dollar, and at the end of the day, the increased amount from each of your transactions will be transferred from your checking account into a designated account as a single transaction.

The program is FREE. Also, the round-up transfer will only happen if you have extra funds at the end of the day; it won’t ever overdraw your account.

Simply stop in, call, or [email](#) a CU associate and tell them you want to sign up for Debit Card Round Up!
