Debit Card Round Up

How Debit Card Round Up works...

Every time you use your debit card, the transaction will be rounded up to the nearest dollar, and at the end of the day, the increased amount from each of your transactions will be transferred from your checking account into a designated account as a single transaction.

The program is FREE. Also, the round-up transfer will only happen if you have extra funds at the end of the day; it won't ever overdraw your account.

Simply stop in, call, or [email](#) a CU associate and tell them you want to sign up for Debit Card Round Up!

Please visit our website at aoacu.com to view our Rates, Become a member, Apply for a loan, and much more!

Remember, Auto-Owners Associates Credit Union will never ask for account information via text or email. If you receive a message that was not initiated by you, or if you are unsure whether a message is legitimate, please contact the Credit Union before giving out any information.
