

September Loan Special!

1% off the final Signature loan rate* during the month of September!

If you have an existing signature loan with another financial institution or debt you would like to consolidate, contact us to see how the Credit Union may be able to lower your payment.

Additionally, most of our loans come with credit life insurance protection. This insurance will pay off your outstanding loan balance and is provided at no charge to you!

*The final rate is based on your credit score. New loans only. This special does not apply to the refinancing of existing Auto-Owners Associates Credit Union Signature loans.
